Make final decision on school garden location and set up garden. Make agreement with the school to share the school garden. Set up garden with support from FRDC.

6. Education Activities
Over the first month of the project, the education and awareness presentation activities on food and nutrition were started. The reason why the project focused on children for the Behavioral Change Communication was to create awareness and change of the community. During the education activities, the school garden was used as a learning tool for the children.

1.7. MAJOR PLAYERS OF INDUSTRY

Following are the major players of cement industry in India. Let us take view of them.

ACC Limited

ACC Limited is India's foremost manufacturer of cement and concrete. ACC's operations are spread throughout the country with 16 modern cement factories, more than 40 Ready mix concrete plants, 20 sales offices, and several zonal offices. It has a workforce of about 10,000 persons and a countrywide distribution network of over 9,000 dealers.

Since inception in 1936, the company has been a trendsetter and important benchmark for the cement industry in many areas of cement and concrete technology. ACC has a unique track record of innovative research, product development and specialized consultancy services. The company's various manufacturing units are backed by a central technology support services centre - the only one of its kind in the Indian cement industry.

ACC has made significant contributions to the nation building process by way of quality products, services and sharing expertise. Its commitment to sustainable development, its high ethical standards in business dealings and its on-going efforts in community welfare programmes have won it acclaim as a responsible corporate citizen. ACC's brand name is synonymous with cement and enjoys a high level of equity in the Indian market. It is the only cement company that figures in the list of Consumer Super Brands of India.
